

BEAVER™ 240

LIGHT-WEIGHT FLOOR SCRAPER

This Beaver™ 240 Floor Scraper is focussed on being lighter in weight for manoeuvrability and portability but still the same rugged build as the other beaver models. The Beaver 240 can remove glued down floor coverings, commercial carpet, gummy adhesives, vinyl tiles, solid vinyl, radial rubber-tile, sheet rubber, indoor and outdoor sport surfaces, and roofing material.

The Beaver 240 is an amazing machine that has proved to perform in very difficult take-ups.

- Adjustable Direct Shot/Blade Angle
- Weight 78.5kg
- Has our exclusive 'Direct Shot' oscillating blade system.
- Delivers a highly aggressive hit directly to the blade, right where you need it.
- Brilliant design allowing the operator to see what he is doing at the blade
- Has the right weight to ensure maximum productivity.
- 70 - 250mm Blades available
- 1.5kw Motor
- Excellent Single Lift Point
- Vibration Dampened Operator Handle
- Has no belts or pulleys
- Perfect for Medium domestic, commercial, industrial projects.
